Executive Director  
Grandwood Insurance Brokers Limited

1 CPT HOUR

Directors and officers of publicly listed companies are facing more stringent regulations and increasing responsibility (liabilities) for better corporate governance but at the same time corporates need to grow their businesses after 3 years of pandemic. Leading businesses in this environment will easily expose directors to risks that could jeopardize their reputation and personal assets. How does the post pandemic era, escalating cyber threat and growing political tension change the role of directors and officers? How does it impact the company's D&O insurance? What you need to be aware of when placing D&O insurance?

This seminar will help you:

- Navigate through the evolving terms and market conditions in directors & officers liability insurance policies
- Identify terms that directors should pay attention to
- Manage D&O claims or circumstances effectively
