2025 Macro Outlook and Corporate Finance Management

18th February, 2025
(4:30 – 5:30 p.m., Tuesday)

Speaker :

Carol W. Lee › PIMCO Executive Vice President and Account Manager
Janice Lin › PIMCO Vice President and Account Manager

In the current macroeconomic landscape, marked by uncertain central bank policies and a complex geopolitical environment, the interplay of these factors presents both challenges and opportunities that demand careful consideration from investors.

CHKLC is pleased to invite PIMCO to give a seminar offering insights on several timely topics that impact corporate finance strategies. Participants will engage in meaningful discussions and explore approaches to navigate today's challenges and seize upcoming opportunities.

Topics:

- **Macroeconomic and Central Bank Policy Outlook**
Hear PIMCO's projections on the evolving dynamics of inflation, interest rates, and geopolitical tensions, along with their implications for economies and investors.
- **Trends in Global Bond Issuance and Investment Implications**
Amid an unsettled global economic outlook and elevated equity valuations, discover why bond markets offer attractive yields and important diversification benefits.
- **Cash Management for Corporate Treasuries**
Explore strategies for thriving in the current economic and market environment, with a focus on liquidity and risk management.
